Dear Coach,

The 49th Annual Scholar-Athlete banquet of the Jack Grinold Eastern Massachusetts Chapter of the National Football Foundation will be held May 19th. At this time, 33 secondary school seniors chosen from more than 200 schools in Eastern Massachusetts will be honored

The NFF is a nationwide organization with the purpose of promoting amateur football as an integral part of our educational process. Each year it honors college scholar-athletes and inducts former players and coaches into the College Hall of Fame, and each of its 122 chapters nationwide recognizes outstanding secondary school scholar-athletes.

If you have a senior on your squad who is outstanding in the classroom, in the football field and in the community, please recommend him by filling out the attached questionnaire and returning it to me with (1) a TRANSCRIPT of his grades and College Board/ACT scores, and (2) a copy of the SCHOOL RECOMMENDATION by **January 15th**. To be a strong contender, a boy should be at least all-league caliber, have SAT I scores that average at least 550 and be in the top third of his class.

All applications are sent to the members of the selection committee, who will subsequently meet to choose the recipients. Candidates will be rated in three categories; Football Ability (On a scale of 1-10), Academic Achievement (On a scale from 1-10) and the "X" Factor (character, leadership, and other activities, etc.)(On a scale of 1-4).

To ensure that more schools will be represented, no more than two student/athletes per school will be selected. You may nominate more than two but only two can be selected. **ISL candidates can be in their fifth year, but the school will still be limited to two maximum selections.**

Your attention to the application process in a timely manner will give the committee the proper time to complete their difficult task of selecting the 33 scholar athletes.

Thank you for your attention to this request.

Sincerely,

Bob Bancroft, Selection Committee Chair
