Tournament rosters must be submitted via the MIAA website by **(Date TBD)**.
3. **Schedules:** Team schedules must adhere to the following guidelines to be eligible for the Sectional Tournament:

Central	6	7
North	6	7
South	6	7
West	7	8

- **Out of State Opponents**

Out-of-state opponents must be members of their NFHS state high school athletic association in order for the game to count toward the power rating system. Games played against schools that are not members of NFHS state associations cannot be considered for tournament qualification/power ratings (see MIAA Handbook Rule 39).

If an out-of-state opponent has played more than the MIAA Tournament maximum at the time of seeding, the results of that opponent's first seven games (eight in the West) will be used for power rating purposes.

- **Forfeited Games**

When a forfeit win is awarded to a school due to the termination of their opponent's football program or failure to fulfill their contractual obligation, the affected school has the option of accepting the forfeit win or playing a game against another school with the results of the newly scheduled game being used for power-rating purposes.

- **Postponed Games**

Postponed contests should be immediately re-scheduled on the first day that the teams do not have a scheduled competition (MIAA Handbook Rule 32.4).

- **Cut-Off Date**

No regularly scheduled games are permitted on the established cut-off dates. If a game is postponed due to weather on the day before the cut-off date, that game must be played on Sunday, October 27 (Sunday, November 3 in the West) and results must be submitted to the Tournament Director by 4:00 pm that day for seeding.

A coin flip will take place at the Championship Breakfast to determine the home team for State Final games.

## 7. Official Ball:

*Sectional Quarter-Finals and Semi-Finals* – Ball of choice, supplied by participating schools

*Sectional Finals, State Semi-Finals and State Finals*

Beginning with the Sectional Finals, the Spalding TF-SB1 football will be the official ball. Two game balls will be provided to each team participating in the Sectional Finals by the Tournament Director prior to competition. Teams may also use the Spalding J5V Advance if provided on their own. All game balls must be approved by the Head Official at midfield prior to the beginning of the game.

## 8. Tie Games in Tournament Games

The MIAA tiebreaker system below will be used in all Sectional and State Tournament games.

Immediately following the conclusion of the 4<sup>th</sup> quarter, the teams will go to their team area for two minutes.

The officials will escort the captains to the middle of the field for the coin toss. The winner of the toss will choose one of the following options: (1) offense or defense; or (2) which end of the field shall be used in all series of the overtime period (10-yard line).

Each series shall begin at the ten-yard line unless a penalty overrides. First down chains will not be used. It is always goal-to-go. If penalty enforcement calls for an automatic first down, it will be first and goal.

For the first and subsequent tie breaking periods, any team that scores a touchdown must attempt a two point conversion by run or pass from scrimmage.

If there is a change of team possession during the last play of an overtime period (second series), live ball fouls by opponents of the team last gaining possession, that occur after the change of possession, gives the team in possession the option of putting the ball in play, where the penalty leaves the ball, for one down free of penalty or penalize as a dead ball foul at the succeeding spot in the subsequent overtime period. This option is exercised only if the team last gaining possession is free of foul during the down.

Example: Second Series - Team B intercepts Team A's pass and, during Team B's run back, Team A commits a personal foul.

Ruling: Team B has the option of extending the overtime period for one down free of penalty, with Team B putting the ball in play where the penalty leaves the ball, provided Team B has not fouled during the down. Or Team B may choose to penalize as a dead ball foul at the succeeding spot in the subsequent overtime period. (see MIAA Handbook Rule 69.3)

## 9. Halftime

*Sectional Tournament Games* - The home team will accept responsibility for the organization and administration of the half-time program. This program shall be conducted within the time limits established by the rules of the game.

*State Semi-Finals and State Finals* – Halftime information will be provided by the Tournament Director to participating schools in advance.

## 10. Medical Coverage

*Sectional Tournament Games* - The home team is responsible to provide a licensed physician, licensed athletic trainer or certified EMT. The medical person shall be responsible for both teams unless the visiting team has its own medical coverage, then each school's medical person/staff is responsible for the members of that team (see MIAA Handbook Rules 56.2, 69.2 and 97.4.2).

*State Semi-Finals and State Finals* - MIAA will provide Medical Coverage according to MIAA Handbook Rules. If a school has provided its own medical coverage, he/she shall be responsible for the members of that team (see MIAA Handbook Rules 56.2, 69.2 and 97.4.2).
